Postcode

B(a). Order Details – Base Package and Licence

Please select a Base Package

\$99

AirNav VFR Standard Pack

AirNav Program + 1 Free VFR Map Pack (please select below)

\$179

AirNav VFR Premium Pack

WACs VTCs VNCs and ERC-L for all of Australia

Please select a licence type

Single User Licence

- Licence permits installation on 2 computers (or 3 if user has GPS Moving Map feature) that the licence holder owns and uses
- Access is limited to the licence holder and their immediate family only
- Installation on a computer or server to be accessed by anyone other than the licence holder and their immediate family is prohibited
- Sentient Software will only correspond with the licence holder

Multi User Licence

- Licence permits installation on 1 computer or server that is owned and used by the company/club
- Access by multiple users in a company/club environment is permitted (i.e. co-workers/members) but is capped at one concurrent user.
- Subscription is charged at a higher rate
- The company/club cannot charge users for use of the software (if you are interested in doing this please contact Sentient Software)
- Sentient Software will only correspond with one registered contact person (to be named in Section A)

B(b). Order Details – Additional Items (if you selected the Standard Pack above, you will need to select a Map Pack below)

Please select any additional Map Packs and/or features you would also like to include in your package (it is not necessary to select items that are already in the package e.g. do not select any VFR Map Packs below if you have selected the AirNav VFR Premium Pack as your Base Package).

C. Payment Details

By placing this order, you declare that you have read and understood the AirNav VFR Terms and Conditions (a copy can be downloaded from www.sentientsoftware.com.au or obtained by calling 03 9646 0231).

Credit Card Please fill in the details below
 Cheque (fill in Section E) Made payable to 'Sentient Software'

Credit Card Number:

Expiry Date: /

Cardholder Name:

Cardholder Signature: X
 Date: / /

D. Subscription

It is an Airservices Australia requirement that expired charts be made inaccessible within the software (with the exception of WACs) so it is highly recommended that you subscribe to keep your maps up to date.

Complete sets of new charts are issued on CD every 6 months. Subscribers receive a discounted price and CDs are sent out approx 1 week before the effective date.
